THE STATE OF AFFAIRS.

When Gwendoline clashes with Maggie
The two never seem to agree.
For one name is aristocratic,
The other is plain as can be.

To find the true cause of the trouble
You need to take merely a look.
For Maggie, my wife, is the mistress,
And Gwendolyn—she is the cook.

COURT IN ERROR.

So Ruled Court of Appeals on Railway Suit from Bracken.

In the Court of Appeals Thursday Judge O'Rear delivered an opinion reversing a judgment of the Bracken Circuit Court in the case of the Commonwealth against the Chesapeake and Ohio Railway Company.

In this case the Company was indicted for the offense of operating a railway in the state under lease without recording the lease in the County Clerk's office.

The indictment was found under sections 791 and 793 of the Statutes, defining the offense as a misdemeanor, and fixing a minimum and a maximum fine.

The Bracken Circuit Court sustained a demurrer to the indictment on the ground of insufficiency, but the Appellate Court in reversing says it is a sufficient indictment and the prosecution can be maintained.

THERE was a perceptible tilting up of the North wing of the Capitol at Washington when Senator DEBOE stepped down and out.

SHERIFF BIRDORF of Hamilton, O., is a heartless man. He has actually forbidden a lot of fool females the pleasure of toting flowers to the Honorable ALFRED KNAPP, murderer of three wives and two other women.

THE sun continues to get up in the East and to go to bed in the West, just as it has done for umpty thousands of years, in spite of the fact that a real live member of the Mormon Church has been sworn in as United States Senator from Utah.

THAT this is in reality a "billion dollar country" was shown by the appropriations of the last two Congresses. The Fifty-seventh, which has just ended, appropriated \$1,554,108,518, against \$1,440,489,438 appropriated by its predecessor.

GOVERNOR BECKHAM's appointment of ASH CARUTH as Judge of the Criminal Court at Louisville was nearly as bad a break as his appointment of a County Judge in Fleming. However, ASH can speak and write English, and he knows a copy of Blackstone from a patent medicine almanac.

OCCASIONALLY and inadvertently the truth creeps out—even in Democratic papers. Whenever a campaign is on tap the Democrats proclaim that Kentucky is out of debt; but now that Uncle Sam is about to fork over the snug sum of \$1,323,999.35, it is proposed to use the money for part payment of the state debt.

BLACK PATTI'S TROUBADOURS.
The critics in all the leading journals of the Metropolis pronounced "Dark-town's Circus Day," "The Whang-doodle Comedy Four," "Soldiers Camp Glee" and "A Festival of Parisian Melody" new features of the Troubadours performances, a positive success. One journal devoted the most favorable editorial comment on these particular features implying further that the entire company and performances were perfect and harmonious throughout, and a credit to the American stage. The Troubadours will appear at Washington Opera-house Friday, March 13, for one performance only. Seat sale opens Wednesday, at Nelson's. The entire balcony reserved for colored people.

What's In a Name?
Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's, the genuine. J. J. Wood & Son.

GO TO THE RESCUE.

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen.

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning. Look out for urinary trouble, diabetes. This Maysville citizen will show you how to go to the rescue: Edward Oliver of 108 West Fourth street says: "It did not require an entire box of Doan's Kidney Pills to entirely end backache which had troubled me for a considerable length of time. I procured the remedy at J. J. Wood & Son's Drugstore, corner of West Second and Market streets, and my advice to any one in need of a kidney cure is to try Doan's Kidney Pills, and they will not be disappointed at the results obtained."

For sale by all dealers. Price 50¢. Mailed by FOSTER-MILBURN Co., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

THE Rev. W. H. RAMSAY of the Church of the Messiah, Louisville, wants a Church Trust, and hopes for an ecclesiastical PIERPONT MORGAN to organize it. He calls attention to the immense waste of energy by the present denominational divisions, and shows what a vast deal could be accomplished by united action. These extracts from a recent sermon by Dr. RAMSAY are worth considering—

"The Churches are weak through sectarian divisions and the acceptance of poor ideals. They do not speak with any voice of power where the great vital questions of our time are involved; they do not help greatly toward the solution of any of our pressing problems of modern life. Their motives and methods have not looked in this direction. Then, again, the existing status of American Christianity represents a terrible waste of resources, a waste of money and a waste of energy of all sorts. Most Churches are closed except for a few hours in the week, and then they are poorly attended, by people who are only half interested. This is true of city Churches, and in the smaller towns the conditions are pitiable and humiliating. One reads of towns of two thousand people having ten or twelve small sectarian Churches, all of them struggling fearfully to keep afloat, jealous of each other, like an army of small peddlers, and obliged to resort to all kinds of cheap and vulgar devices to raise the small salaries of their Ministers. The Ministers under such conditions are often weak, though well-meaning men, who have no appreciation of the place that a Church ought to hold or the work it ought to do in the community."

"A good newspaper has more influence than all the Churches put together. It deals with living questions. A prominent Editor said to me: 'Your Churches do not interest me. You are all split up. You have no common purpose. Your themes don't interest me. I am interested in living questions.'"

"Precisely, he was interested in living questions, while Churches have been discussing dead issues."

"It is not strange that progressive men in all Churches should be expectant of reform and eager for it. Union of almost any kind would be a relief to the existing situation. It is well that the Churches that have Southern and Northern branches should talk of coming together. There are half a dozen or more branches of Methodists, and probably as many kinds of Presbyterians and Baptists. By all means let these form a larger union—create Methodist and Baptist and Presbyterian religious trusts. They could then do more and better work, and they would increase men's respect for Churches."

"But, it is asked, can we not have one colossal Religious Trust that will take in all the denominations, or at least all that are near enough alike to make affiliation possible? Why not? It would be a splendid achievement and let us hope that some religious organizing genius—some PIERPONT MORGAN of the ecclesiastical world—may arise and bring it about."

SOW SURE SEEDS!

There are two kind of seed houses. One raises no seed, but buys seed wherever they can get it the cheapest, taking the growers word as to kind and variety.

The other kind, like Landreth's, own great farms in different parts of the country, in charge of experienced seed growers and with every facility for growing seeds. They plant seeds of known variety, hence can be sure of the product.

If you want seed that you can be sure of—sure of variety—sure of growing—buy them here. These fresh, reliable seeds cost no more than the other kind. Can you afford to take chances?

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last almost twice as long as a part chilled in the imitation way. Notice peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

LESSON IN AMERICAN HISTORY IN PUZZLE

THE ATTACK ON QUALLAH BATTOO, SUMATRA.
Find Commodore Downes.

Many lessons have been needed to teach the uncivilized peoples of the world respect for the American flag. One of these was administered to the native town of Quallah Battou in the island of Sumatra on February 6, 1832. A year previous the natives had attacked and looted an American merchant vessel, the Friendship, while loading spices at the town. President Jackson sent Commodore Downes with the frigate Potomac to teach the natives a lesson. This he did by capturing the town and destroying its fortifications. In the battle which was fought to accomplish this 150 of the natives were killed, and two Americans.

THE FIRST STEP

Of the child is an event in the mother's life. How proud she feels when the attempt to walk is begun so early as to evidence childish courage and sturdy strength. Such pride should be enjoyed by every mother. But it often happens that the child is timid, weak and deficient in vitality, and clings to the mother's arms with no desire to walk or play.

Mothers should learn that to have strong children they must themselves be strong, for the child's strength is the gift of the mother.

The use of Dr. Pierce's Favorite Prescription by expectant mothers gives them health and strength to give their children. It nourishes the nerves, strengthens the body and gives great muscular strength and elasticity, so that the baby's advent is practically painless.

"I have been using Dr. Pierce's Favorite Prescription, and can say it is just what you advertise it to be, and can cheerfully recommend it," writes Mrs. Victor J. Hadin, of Leonardville, Riley Co., Kansas. "I began taking it just two months before baby came and was greatly benefited by its use. The doctor who attended me said I did about as well as any one he had seen (as I was sick only about three hours), and also that your 'Favorite Prescription' was 'the one patent medicine' which he did have faith in."

"We now have a darling baby boy, strong and healthy, who weighed nine pounds when born (July 28th). During this month he has gained three and one-half pounds."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

Regular monthly meeting of Joseph Heiser Post No. 13 at G. A. R. Hall, Cox Building, at 7:30 this evening. T. H. FAYNE, Commandant.

Circuit Court adjourned yesterday till "Court in course."

The Stomach Is the Man.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, strengthens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. J. Jas. Wood & Son.

When The Grand Climacteric Period of a Woman's Life Arrives

Paine's Celery Compound

Takes Her Safely Into After-Life Free From The Ailments and Dangers Common to Her Sex.

Change of life, which usually comes on between the age of forty and fifty, is to thousands of women a time of serious constitutional disturbances. The danger time is made known by irregularities, stomach derangements, headache, nervousness, pain in back and hips,

MRS. NELLIE TAYLOR, Of Solon, Ohio, Who Has Been Restored to Health by Paine's Celery Compound.

limbs and abdomen frequently swell, piles do their annoying work, there is vertigo, palpitation of the heart and debility.

When any of these warning symptoms are experienced, the use of Paine's Celery Compound will do wonders for anxious and suffering women. Paine's Celery Compound used regularly for a few weeks will build up nerve force and physical strength, tone digestion, keep the kidneys and liver in working condition, will banish gloomy fears and give sweet sleep. It has saved thousands of women from terrible sufferings and death. Miss Annie Pasold of De Witt, Iowa, tells how Paine's Celery Compound made her mother well and strong; she says:

"My mother was taken very sick by approaching change of life and was confined to her bed for seven weeks. We employed the best doctor, but his efforts were of little avail. She could not keep any thing on her stomach, could not sleep and she wasted to a shadow. We procured a bottle of Paine's Celery Compound for her. Its use gave grand and wondrous results. She soon slept well at night, got stronger and her appetite returned. She is now well and strong and does her work with pleasure. She would not be without Paine's Celery Compound for any consideration."

MISS FAY LEE,

President of the Shakespearian Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

Miss Fay Lee.

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

We Tell the Truth ABOUT OUR GOODS!

And our goods are good enough to tell the truth about. The H., S. & M. Clothing is simply a revelation in ready-to-wear garments for men. Nothing approaching their equal in

FIT, STYLE and WORKMANSHIP

Has ever been produced, and the cost is no more for these fine tailored Suits and Overcoats than you pay elsewhere for the ordinary ready-made stuff. If you have never seen this finest production of the tailor's art we invite your inspection. Come in, try them on if you like, and you will say we have indeed told the truth.

In our Men's Furnishing Department we have all that's new, and useful gifts for the Holidays. See our corner window display.

ECONOMY

IS WHAT THE TIMES DEMAND.

Money saved is the easiest money made. You may wear cheap clothing and be respectable, but you can't eat impure and unwholesome food and be healthy for any length of time. So when it comes to buying supplies for your table it is economy to buy the best. My annual CUT PRICE sale for CASH is now on, and when I say cash price that is what it is.
